

CAPITAL

LOUVRE WINDOWS

Enjoy a cool summer breeze
or a whisper of air

Signature Louvre Windows

When it comes to enjoying a breath of fresh air, our **'Signature' louvre windows** have got your back. A modern take on a golden oldie, our louvre windows are easy to clean and easy to operate. They can be locked in position and can be combined with insect or security screens for protection against unwanted visitors.

Features & Benefits

Lifestyle & Comfort

- Ergonomic, easy-to-use handle
- Wide openings invite fresh air into your home
- Ideal for secure ventilation when installed above doors (doors can be locked while louvres are left open)
- Can be used as a kitchen splashback to bring in more light and ventilation
- Both sides of blades can be cleaned from the inside of the house

Optional

- Wide range of screening solutions available
- Key lockable handle for extra security
- Keys can be 'keyed alike' with Capital's doors for convenience*
- Openings can be restricted for upper storey windows
- Ring handle and map rod for opening louvres that are out of arm's reach

Design & Aesthetic

- Stylish, modern handle
- Available in a range of lifestyle configurations
- Combine with fixed windows to create a feature wall
- Blades available in different heights, finishes and colours
- Architectural symmetry with other Capital windows and doors

Performance & Reliability

- Fully compliant with Australian Standards
- Protection against elements with high-quality window seals

Optional

- Bushfire rated – certified up to BAL 40
- Suitable for cyclonic regions

* Excludes patio bolts and commercial hinged & pivot doors

Smart Solutions

High Performance Windows and Doors

As the market leader in Australia for aluminium and glass building products, Capital have developed its range of **Smart Solutions** to meet all high performance requirements.

Climate Control Solution

Solar Comfort™

Year-round Comfort

- Designed to reflect heat away in summer and keep heat inside during winter
- Enjoy the ideal temperature in your home all year round – cooler in summer, warmer in winter

Energy Reduction

- Keep power bills down by reducing the need for additional heating and cooling
- Help save the environment by consuming less energy

Specialty Solution

FlameShield™

Superior Bushfire Protection

- Meets Australian Standard AS3959:2009, which is aimed to reduce the risk of loss of life and property in bushfire prone areas
