CAPITAL

WINDOWS & DOORS

No matter the context or purpose, Capital has a product to suit. Our tiered platform caters to all types of projects, from renovations to standard design homes to unique, high-end homes or commercial applications.

+ Essential

Make a statement for the right price with the Capital **Essential range**. The Essential range is your cost-effective building solution, built to last and available in various modern designs.

+ Signature

Designed to meet emerging trends in design and high-end performance demands, the **Signature range** of premium residential products offers complete architectural freedom for your project.

+ Commercial

Create a space that inspires with the **Commercial range**. Capture views and natural light with custom configurations to suit any high-end application – from offices to apartments and architecturally designed homes.

CAPITAL

SMART SOLUTIONS

Double Glazed

Year-round Comfort

Acts as extra insulation by limiting the flow of hot or cold air in and out of your home

Helps maintain comfortable temperatures inside across all seasons

Energy Reduction

Reduce reliance on air conditioning and heaters – lowering electricity bills

Consume less energy for a smaller carbon footprint

Noise Reduction

Minimise outside noise – creating a quiet haven inside your home

Safety

Extra strong resistance to unwanted attacks by intruders

Solar Comfort™

Year-round Comfort

Designed to reflect heat away in summer and keep heat inside during winter

Enjoy the ideal temperature in your home all year round – cooler in summer, warmer in winter

Energy Reduction

Keep power bills down by reducing the need for additional heating and cooling

Help save the environment by consuming less energy

Solar Block™

Cooler in Summer

Minimise the flow of heat into your home – enjoy summer without feeling the heat

Acts like a pair of sunglasses for your home, reducing glare by up to 78%

Energy Reduction

Save on electricity bills by reducing the need for air conditioners

Minimise your carbon footprint by consuming less energy

FlameShield™

Safeguard for your home

Meets Australian Standard AS3959:2009, which is aimed at reducing the risk of loss of life and property in bushfire prone areas

Sound Smart™

Noise Reduction

Reduce unwanted external noise – nearby traffic or noisy neighbours

Safety

Safety

Effective and affordable barrier against forced entry

Enjoy peace of mind knowing that your home has extra protection

A modern living room with large windows and a wooden ceiling. The room features a large, light-colored sofa with several patterned and solid-colored pillows. The windows offer a view of a lush green landscape with trees and a small blue building. The ceiling is made of light-colored wood planks. The overall atmosphere is bright and airy.

- Ergonomic and easy-to-use handle
- Wide openings invite fresh air into your home
- Effortless operation with high-performance, adjustable rollers

+ Premium Features

Signature Only

- Save on electricity bills with optional double glazing
- Mortice lock fitted in the handle for superior security
- Night latch locks the window without a key

Essential . Signature

Elegantly simple, classic design

CAPITAL

AWNING WINDOWS

Essential . Signature . Commercial

If you want windows that can provide natural ventilation year-round and invite natural light into your home, our **awning windows** are exactly what you've been looking for. They can be combined with fixed windows to create 'feature windows' or maximise natural light and your view.

+ Key Features

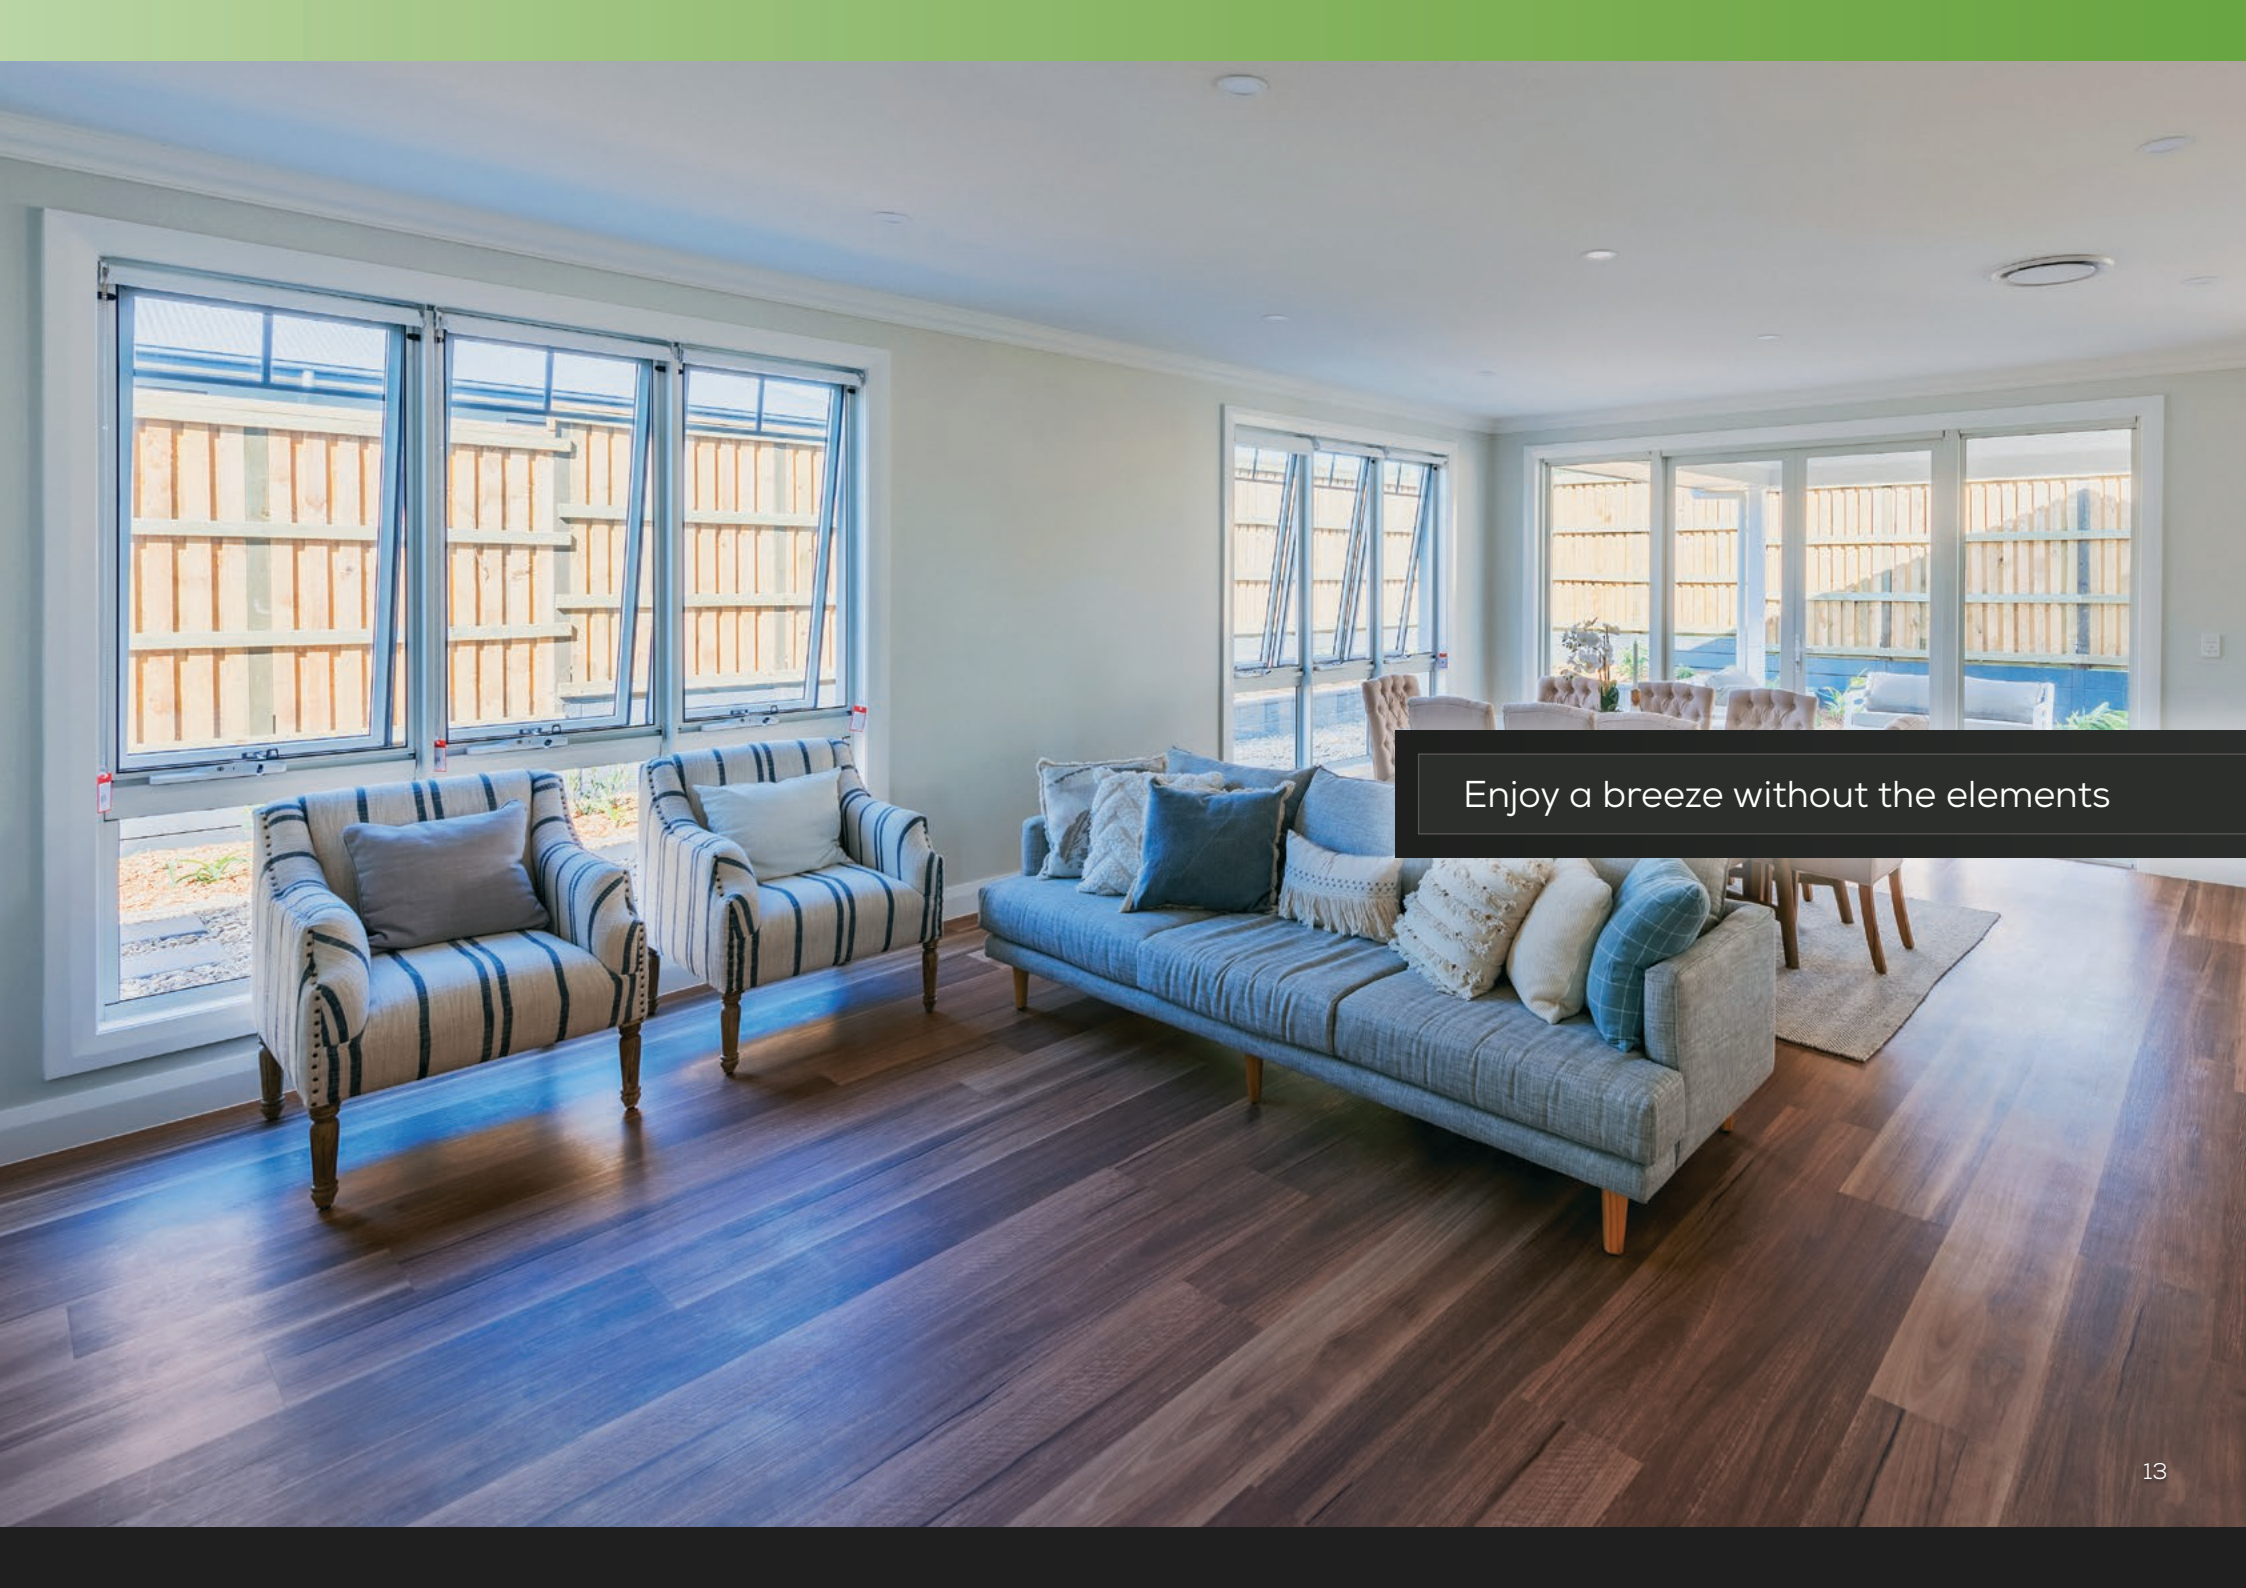

Essential . Signature . Commercial

- Ergonomic, easy-to-use foldable handle
- Can be used as a kitchen splashback to bring in more light and ventilation
- Combine with fixed windows to create a feature wall
- Save on electricity bills with optional double glazing

+ Premium Features

Signature & Commercial Only

- Available in larger window sizes
- Superior structural integrity with larger 100mm frame

Enjoy a breeze without the elements

CAPITAL

CASEMENT WINDOWS

Essential . Signature . Signature LB

If you're looking to invite fresh air into your home, you can't look past **casement windows**. Robust, secure and stylish, our casement windows are a long-established favourite with practical benefits. An old-style favourite reimaged in a contemporary setting.

+ Key Features

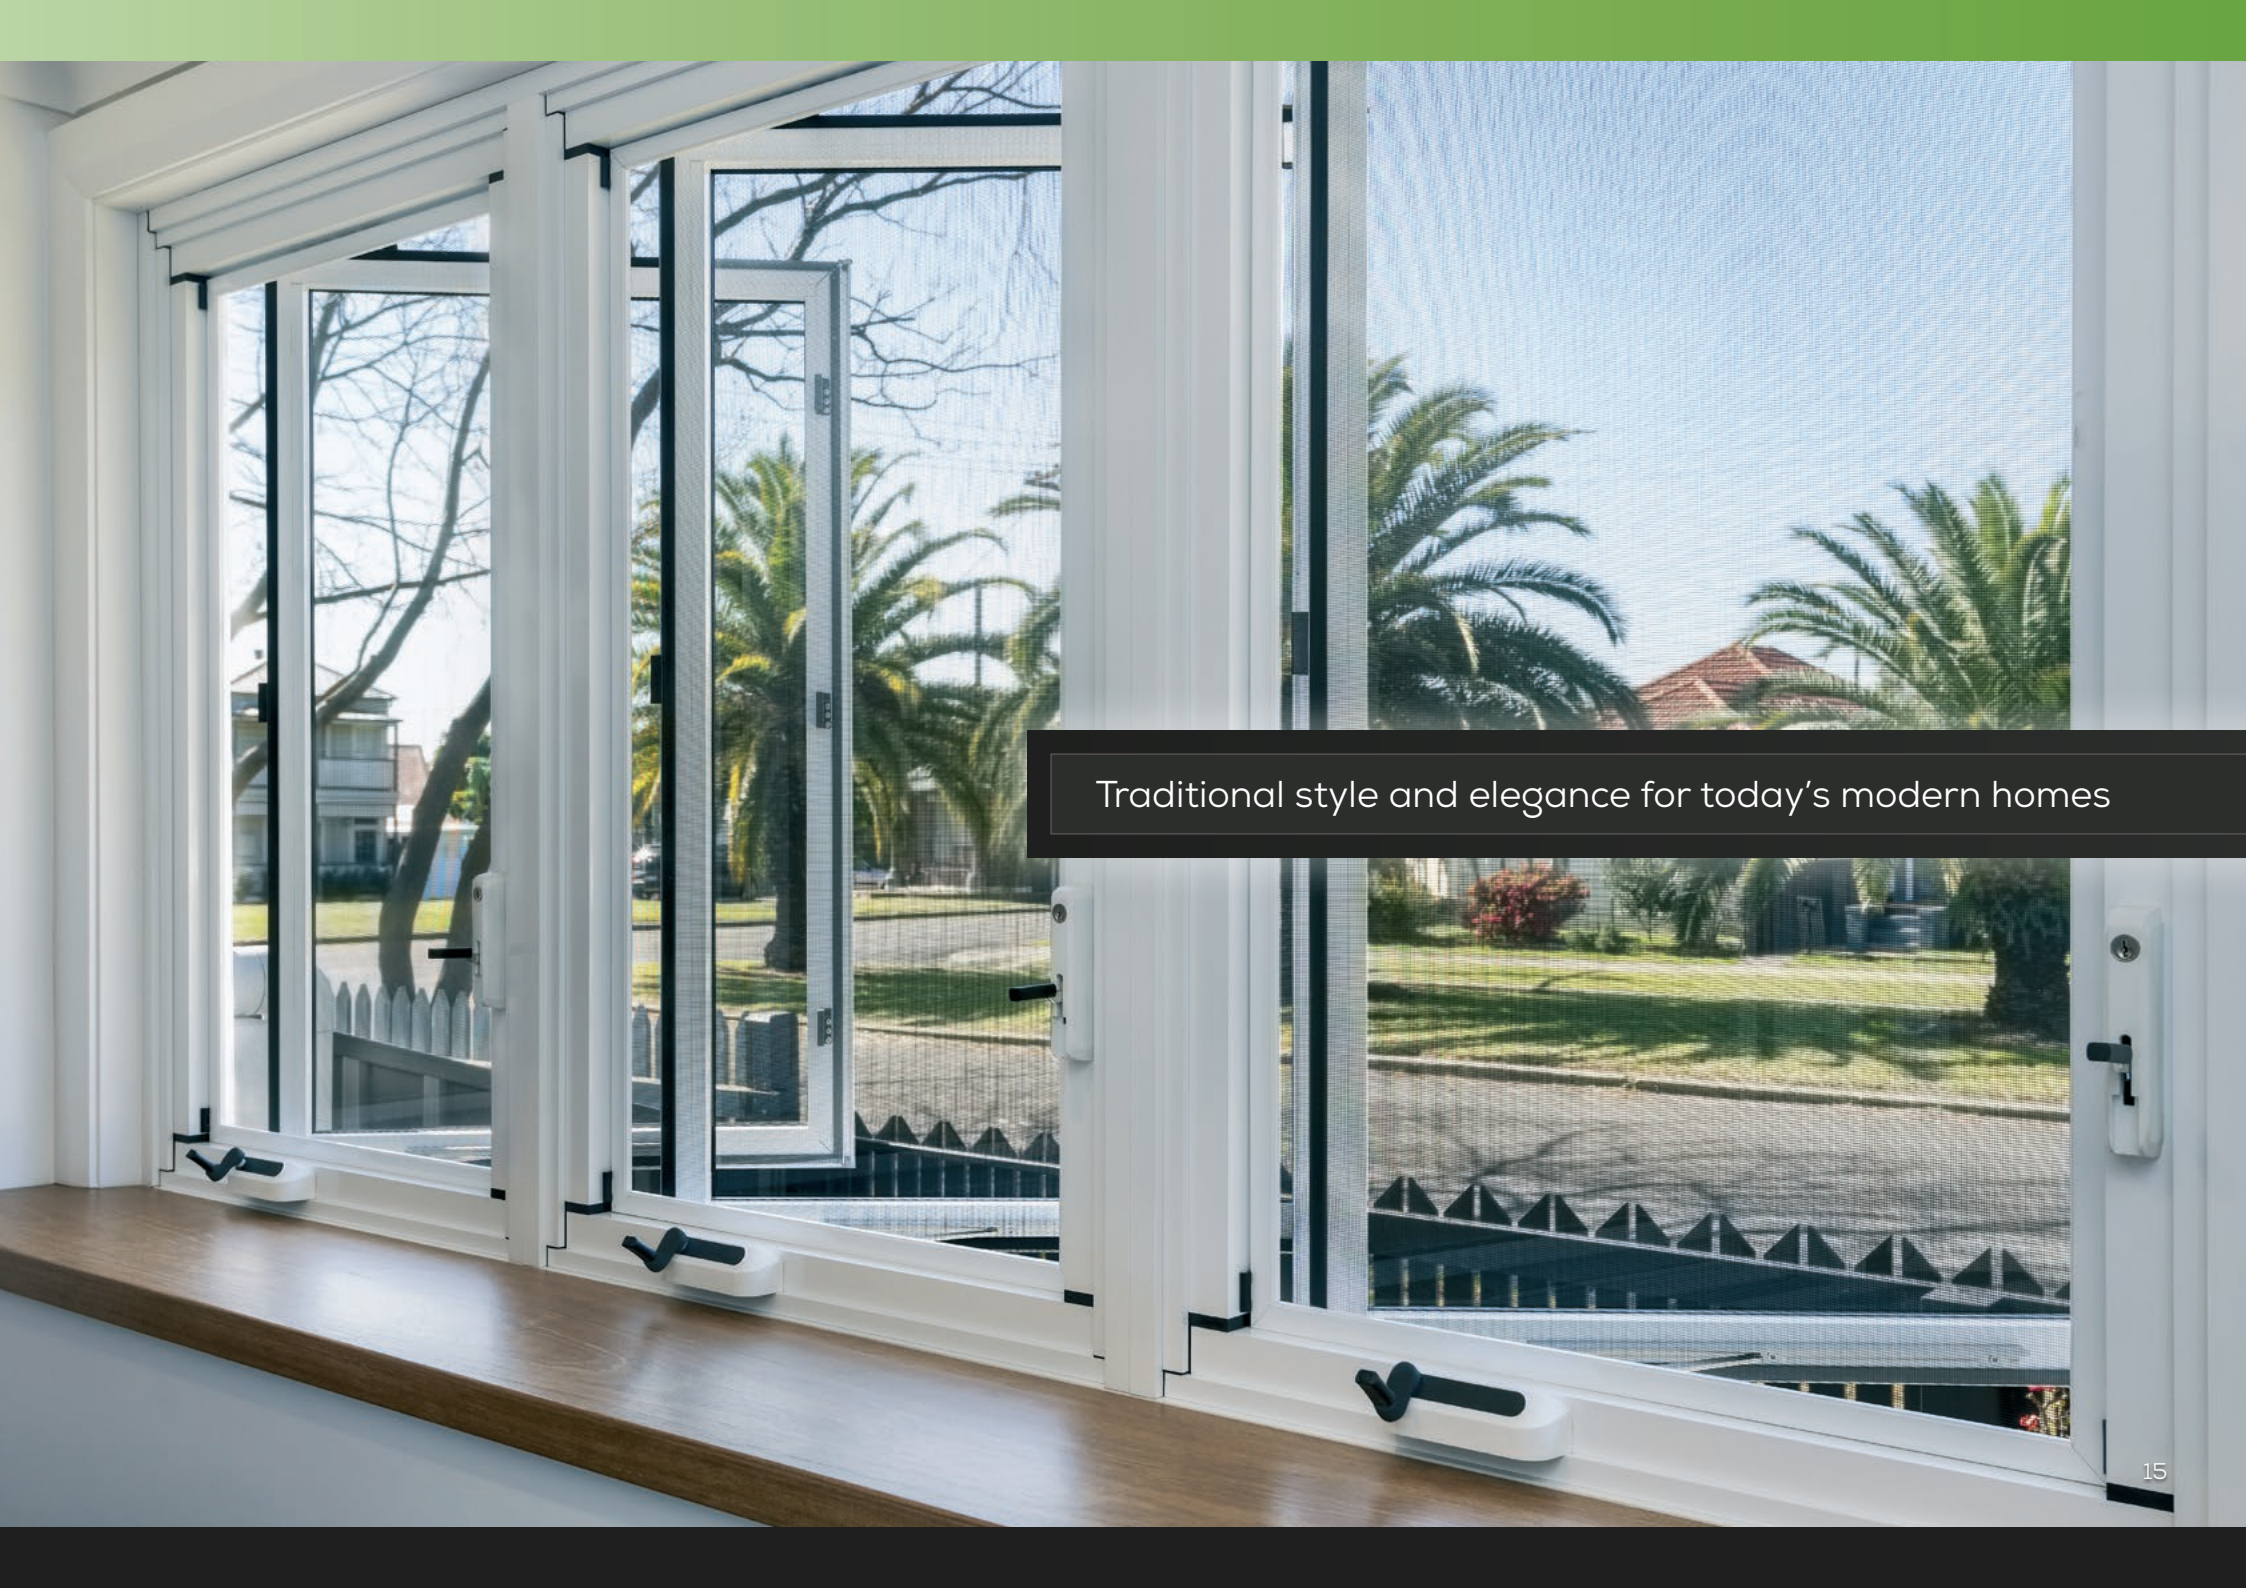

Essential . Signature . Signature LB

- Ergonomic, easy-to-use handle
- Wide openings invite fresh air into your home
- Combine with fixed windows to create a feature wall
- Save on electricity bills with optional double glazing

+ Premium Features

Signature LB Only

- Wide range of optional screening solutions available
- Ergonomic, easy-to-use foldable handle
- Easy opening and closing thanks to dual stainless steel stays
- Improved security with our multi-point compression lock system

Traditional style and elegance for today's modern homes

CAPITAL

DOUBLE HUNG WINDOWS

Double hung windows allow you to enjoy the benefits of natural light and air in any context in your home, including areas with limited opening spaces. They are secure, easy to operate and available in various sizes and configurations.

+ Key Features

Essential . Signature CB

- Ergonomic and easy-to-use handle
- Direct fresh air into your home through the top, bottom or both ends of the window at once
- Combine with fixed windows to create a feature wall
- Create a Hamptons look with optional colonial bars

+ Premium Features

Signature CB Only

- Save on electricity bills with optional double glazing
- Superior structural integrity with larger 100mm frame

Essential . Signature CB

A modern refinement of a classic look

CAPITAL

LOUVRE WINDOWS

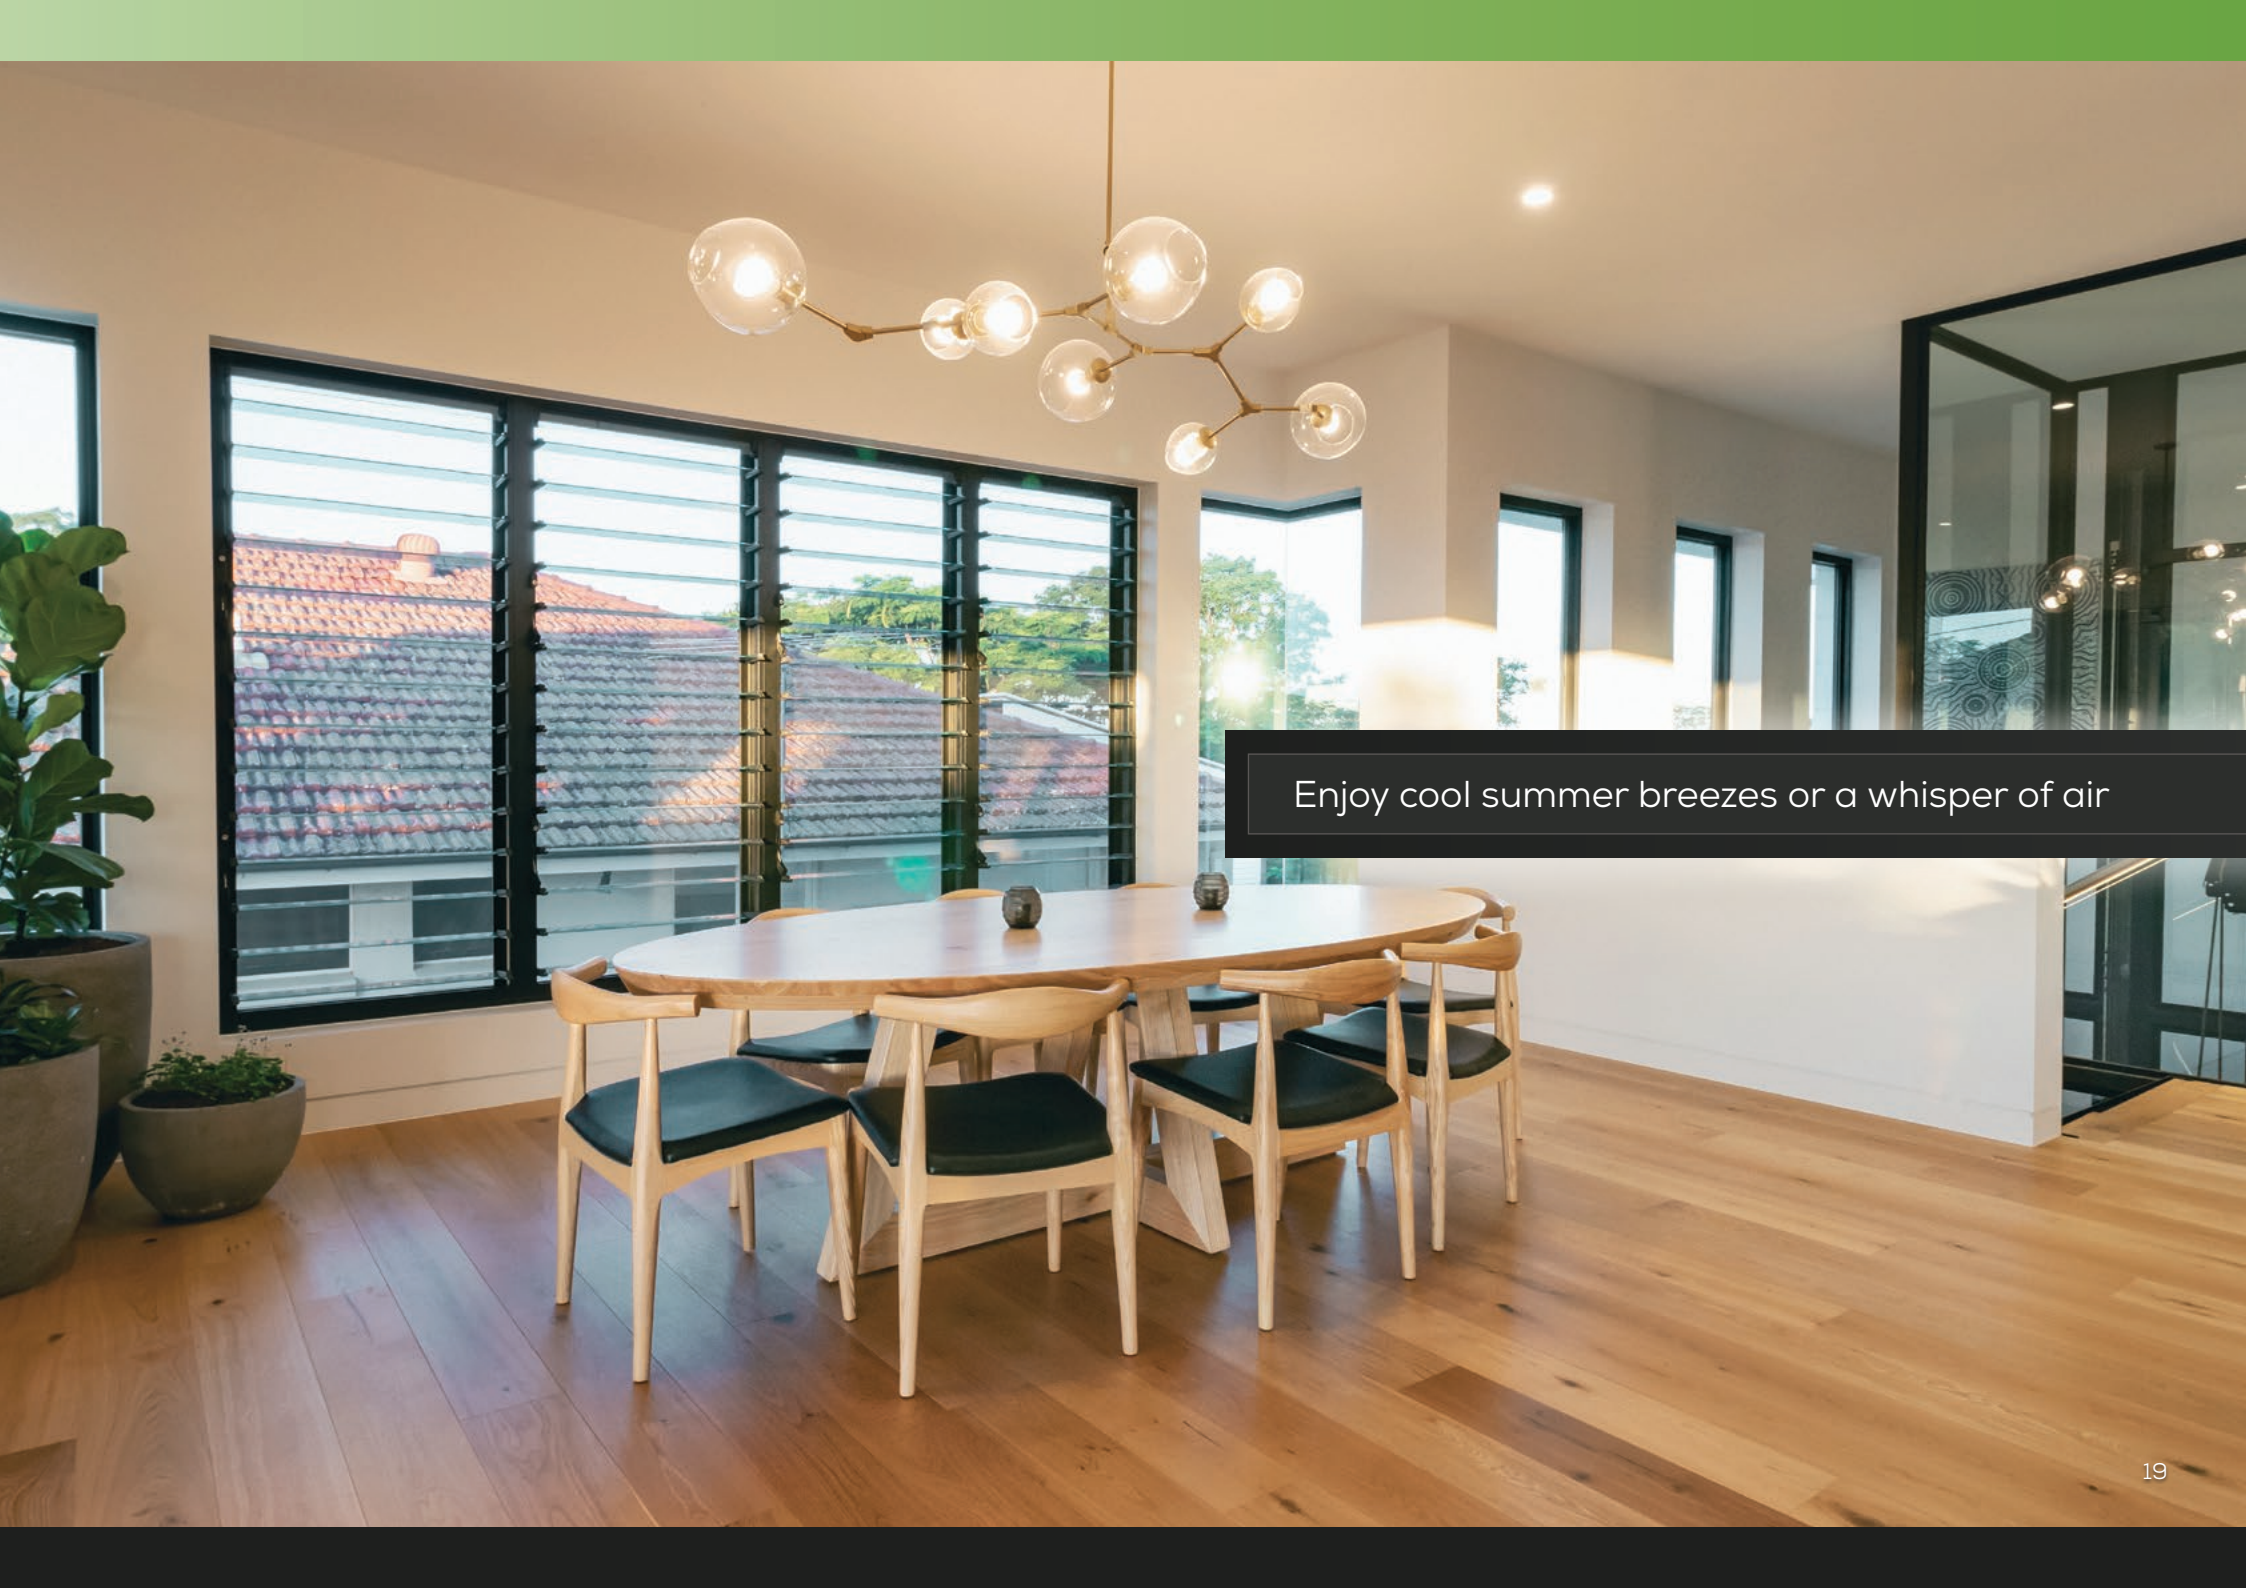

Signature

When it comes to enjoying a breath of fresh air, **louvre windows** have your back. A modern take on a golden oldie, our louvre windows are easy to clean and easy to operate. They can be locked in position and can be combined with insect or security screens for protection against unwanted visitors.

+ Key Features

Signature

- Ergonomic, easy-to-use handle
- Wide openings invite fresh air into your home
- Can be used as a kitchen splashback to bring in more light and ventilation
- Both sides of blades can be cleaned from the inside of the house
- Blades are available in different heights, finishes and colours

Enjoy cool summer breezes or a whisper of air

CAPITAL

BI-FOLD WINDOWS

Whether you're after wide opening spaces, unobstructed views, or a stylish servery window, our **bi-fold windows** have got you covered. Secure, versatile and chic, Capital's bi-fold window collection features all the bells and whistles you need – including some you probably haven't thought of yet.

+ Key Features

Signature . Commercial

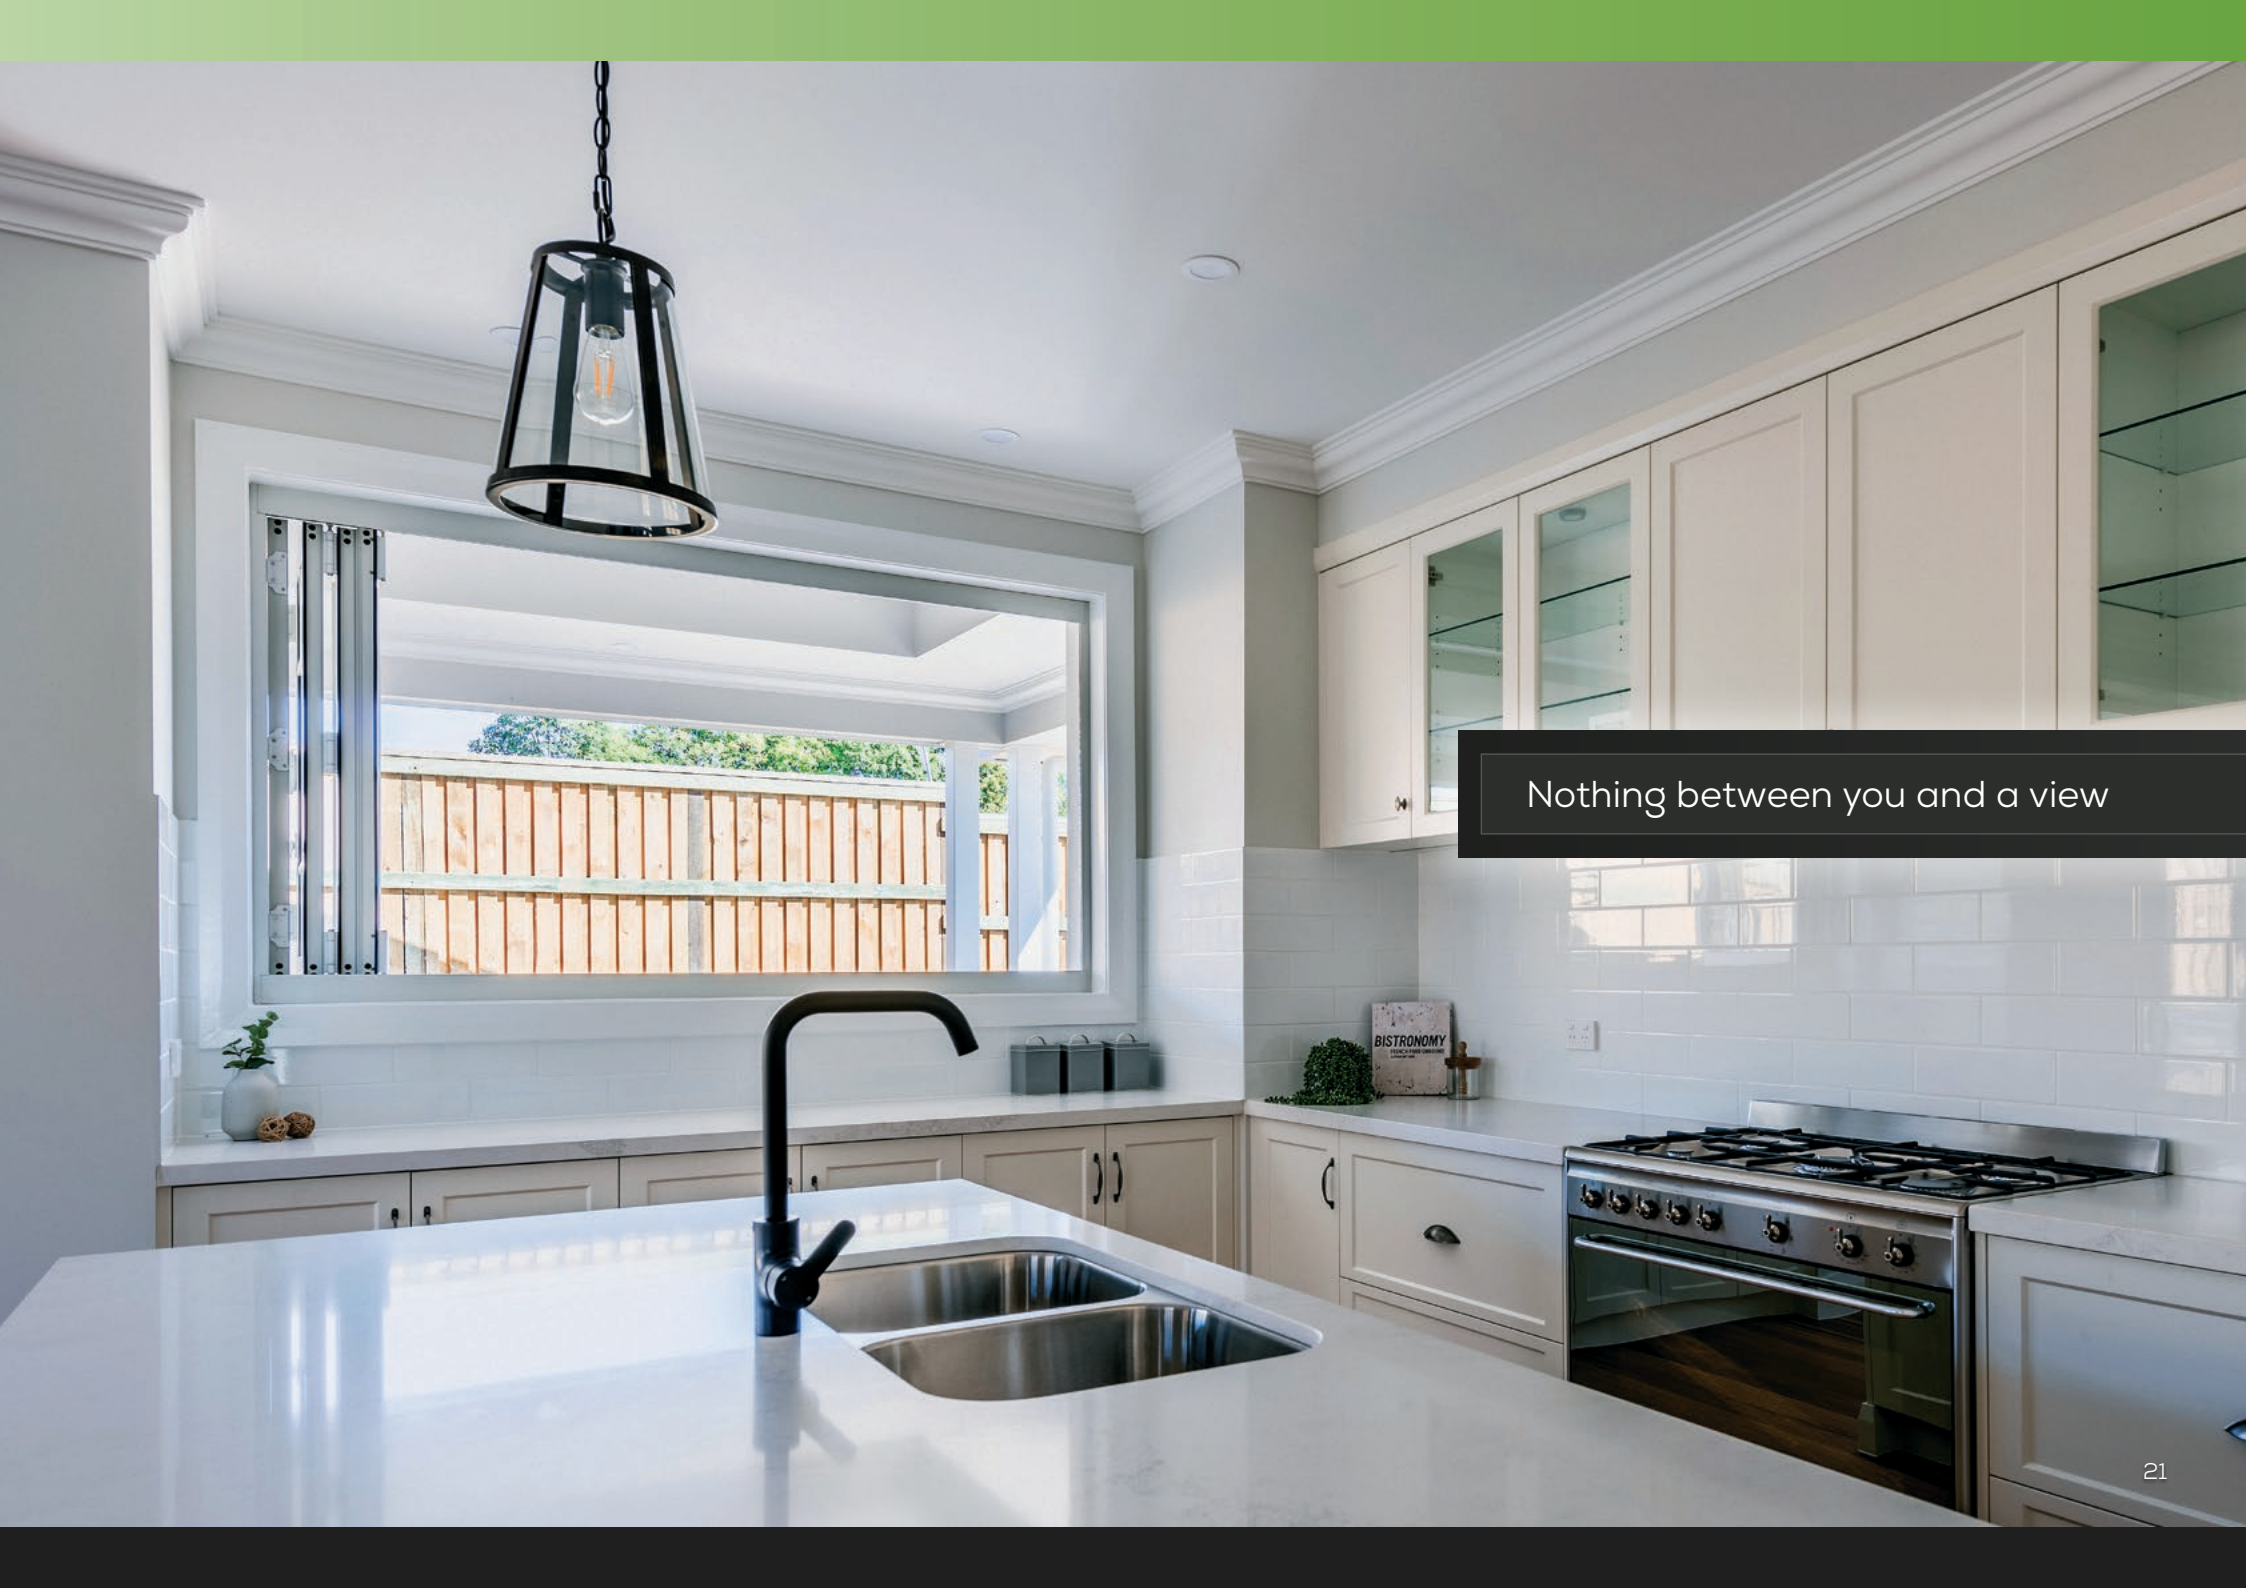

- Ideal as a servery window
- Wide openings invite fresh air into your home
- Available without a sill, if a sleek, uninterrupted benchtop finish is required
- Effortless operation with high-performance, adjustable rollers

+ Premium Features

Commercial Only

- Stainless steel hinges allow for trouble-free operation of larger panels
- Heavy-duty 50mm panels provide superior structural integrity

Signature . Commercial

Nothing between you and a view

CAPITAL

FIXED WINDOWS

Essential . Signature

With their picture frame look and concealed fixings, our **fixed windows** allow you to showcase extensive views and invite maximum natural light into your home. Great as a standalone feature, or the perfect companion for our other windows and doors.

+ Key Features

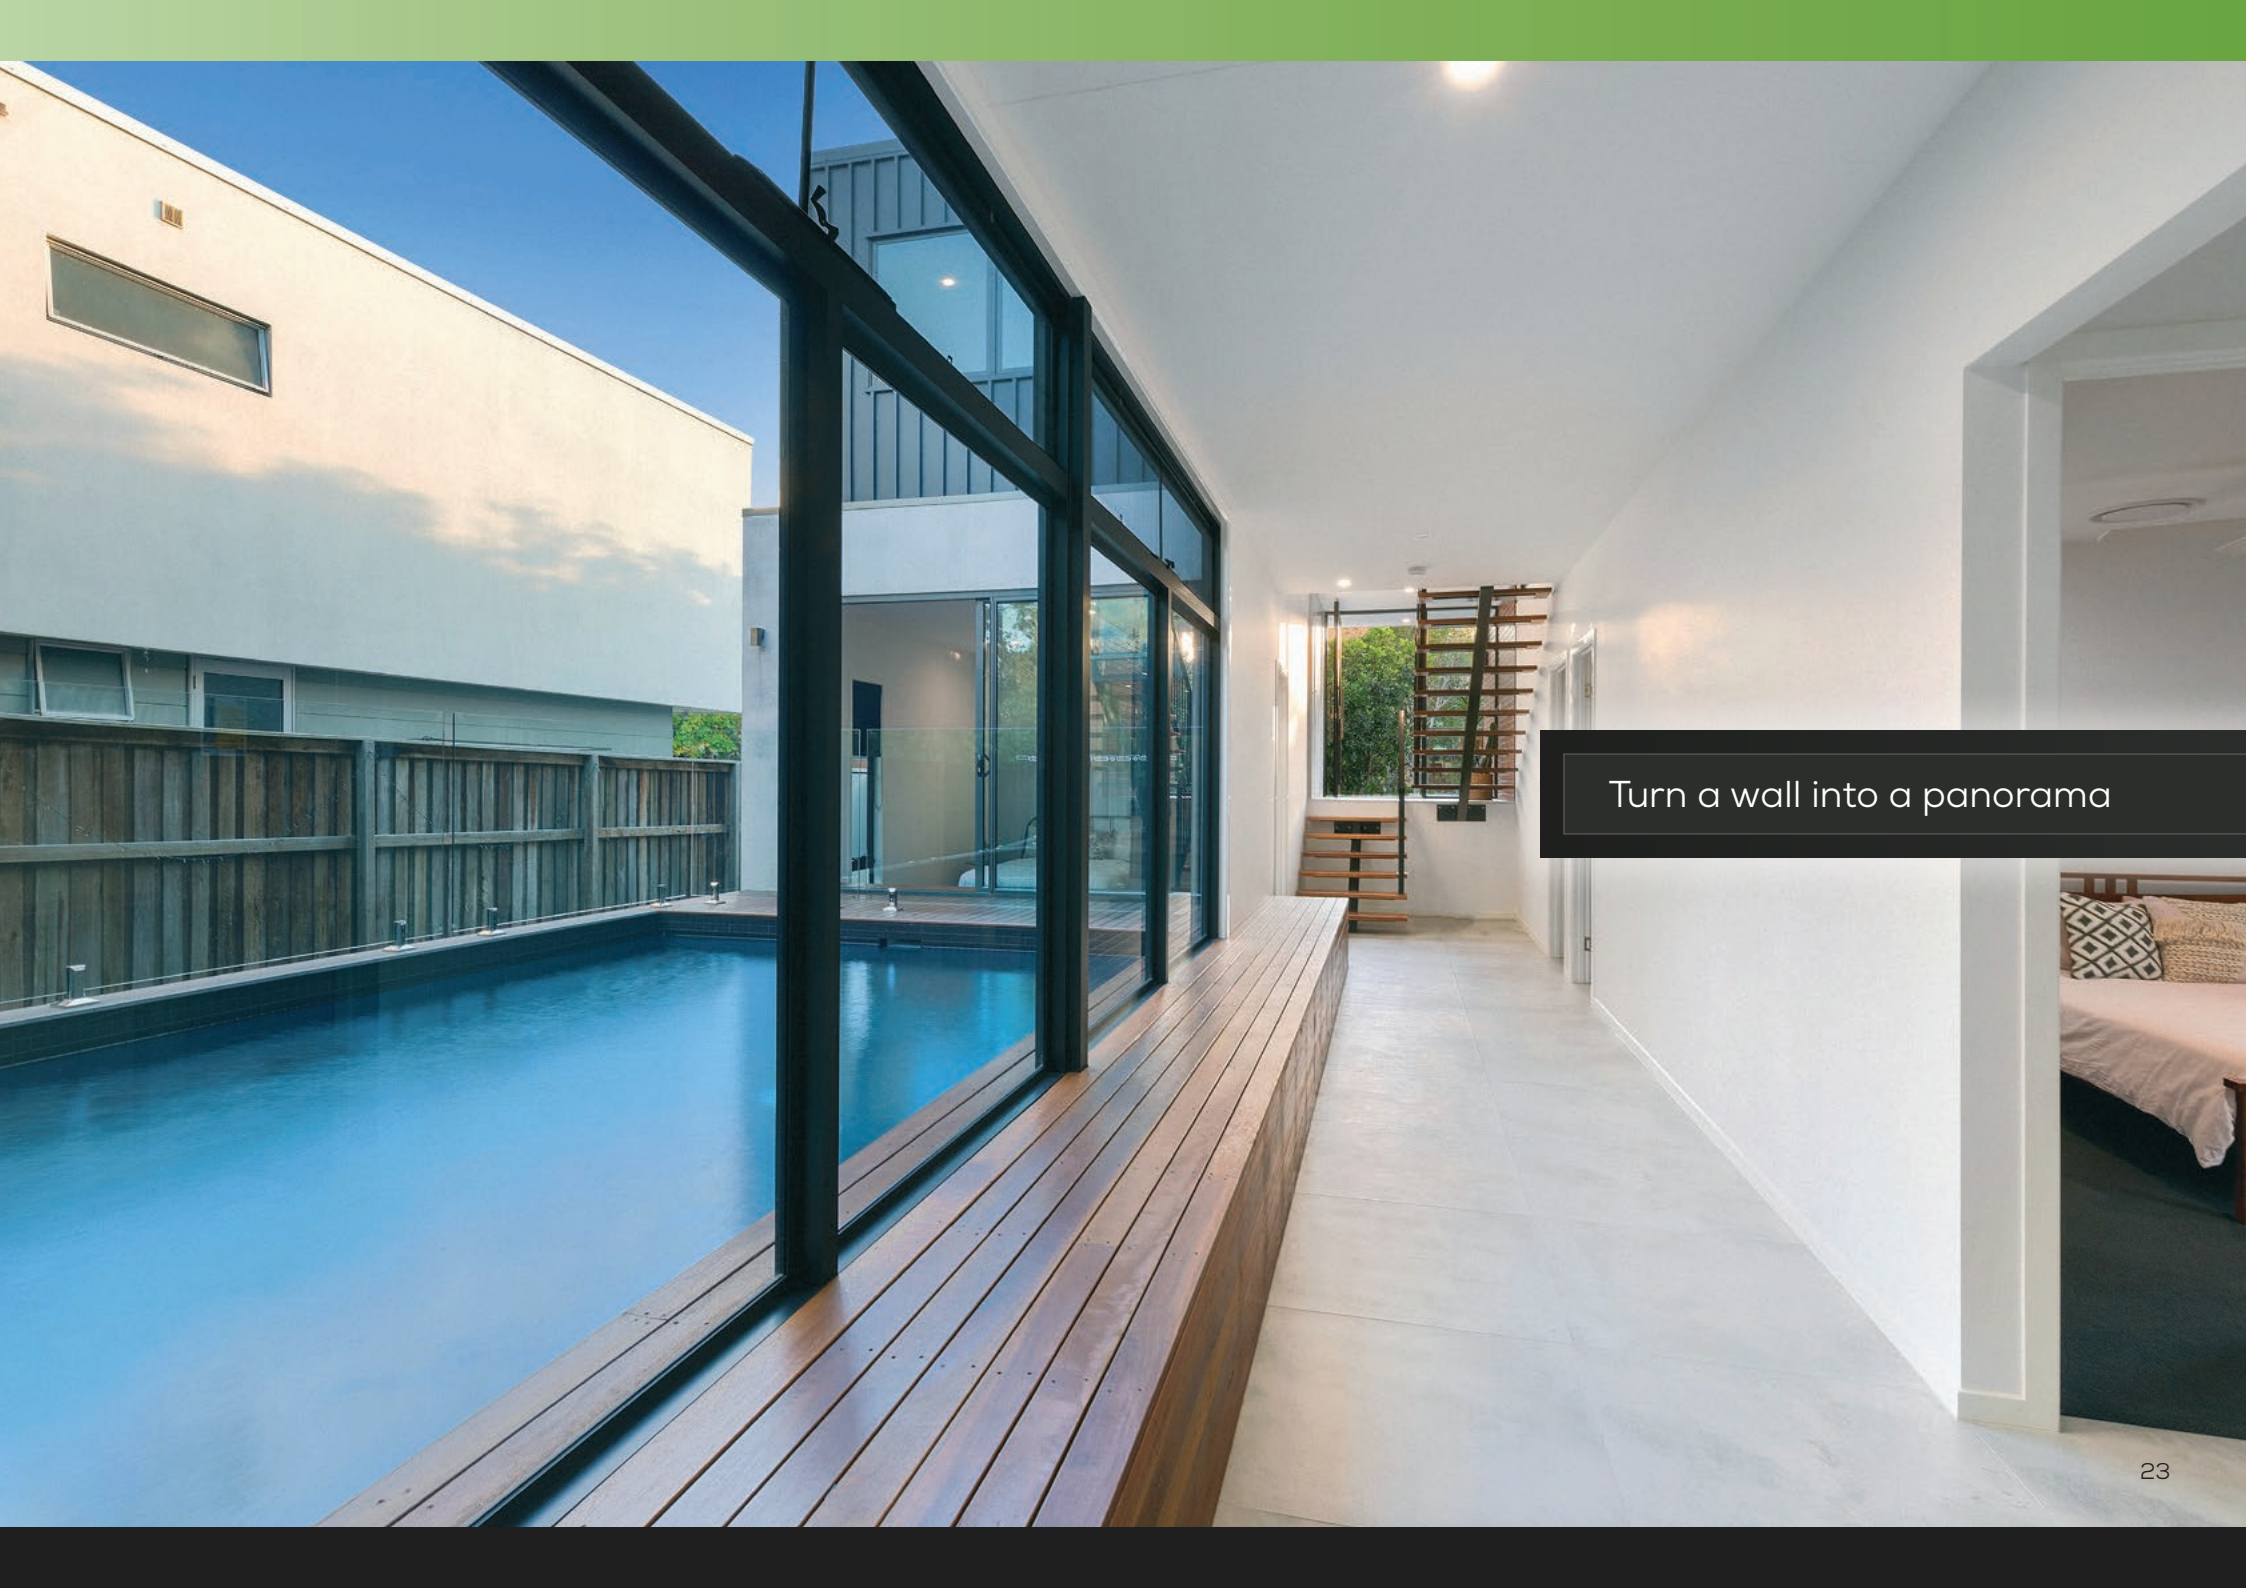

Essential . Signature

- Large glass area provides expansive views and natural light
- Complements other windows or doors as a side lite or hi lite
- Save on electricity bills with optional double glazing
- Reduce outside noise by incorporating our Sound Smart system

+ Premium Features

Signature Only

- Superior structural integrity with larger 100mm frame
- Glass can be replaced from the inside of the building – ideal for multi-storey projects

Turn a wall into a panorama

HINGED DOORS

Essential . Signature . Commercial

Capital's **hinged glass doors** will create a modern yet timeless entryway for your home. With single and double door configurations available, they have the versatility necessary to suit your chosen context. Install them as a standalone feature, or combine them with other windows.

+ Key Features

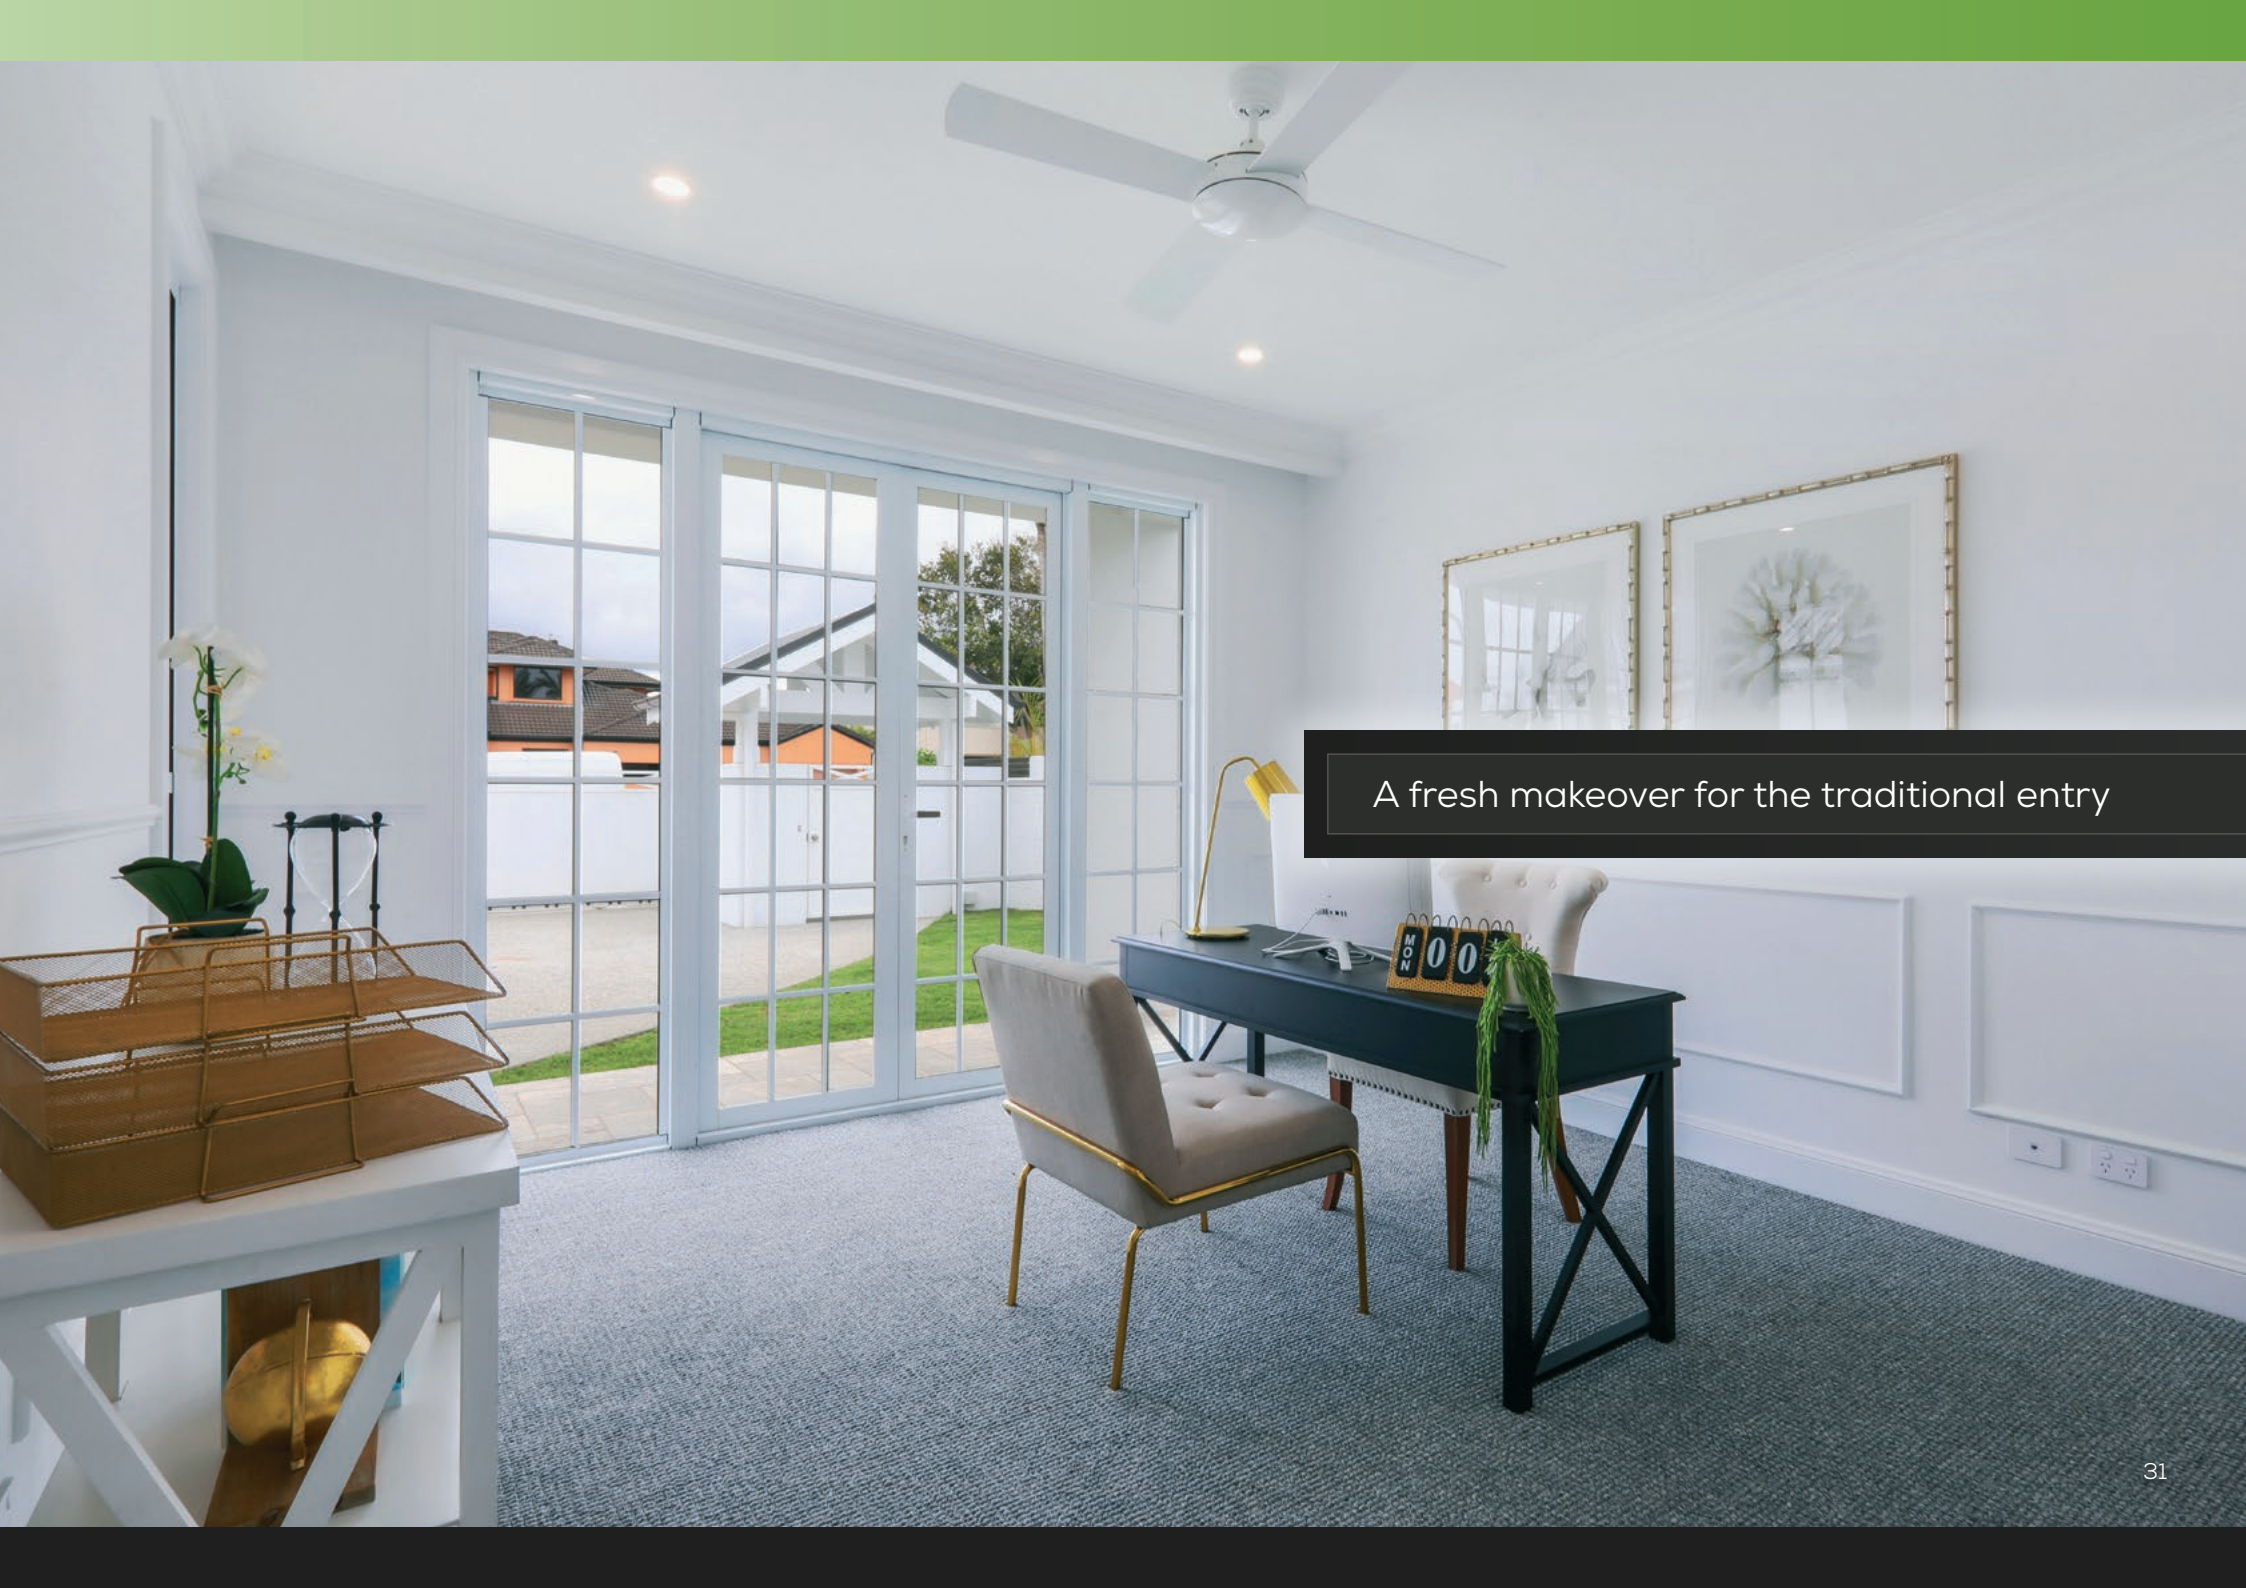

Essential . Signature . Commercial

- Ergonomic and easy-to-use lockable handle
- Combine with windows to create a modern entryway
- Save on electricity bills with optional double glazing
- Reduce outside noise by incorporating our Sound Smart system

+ Premium Features

Commercial Only

- Architectural handles available as an upgrade
- Deadlock fitted as a standard feature for superior security

A fresh makeover for the traditional entry

CAPITAL

BI-FOLD DOORS

With customisable folding options, superior security and an easy to operate design, it's no wonder our **bi-fold doors** are a long-term popular choice for residential and commercial indoor-outdoor entertainment areas. With standard configuration options available, including your selection of doors between 2 and 6 panels, integrating our bi-fold doors into your design couldn't be easier.

+ Key Features

Signature . Commercial

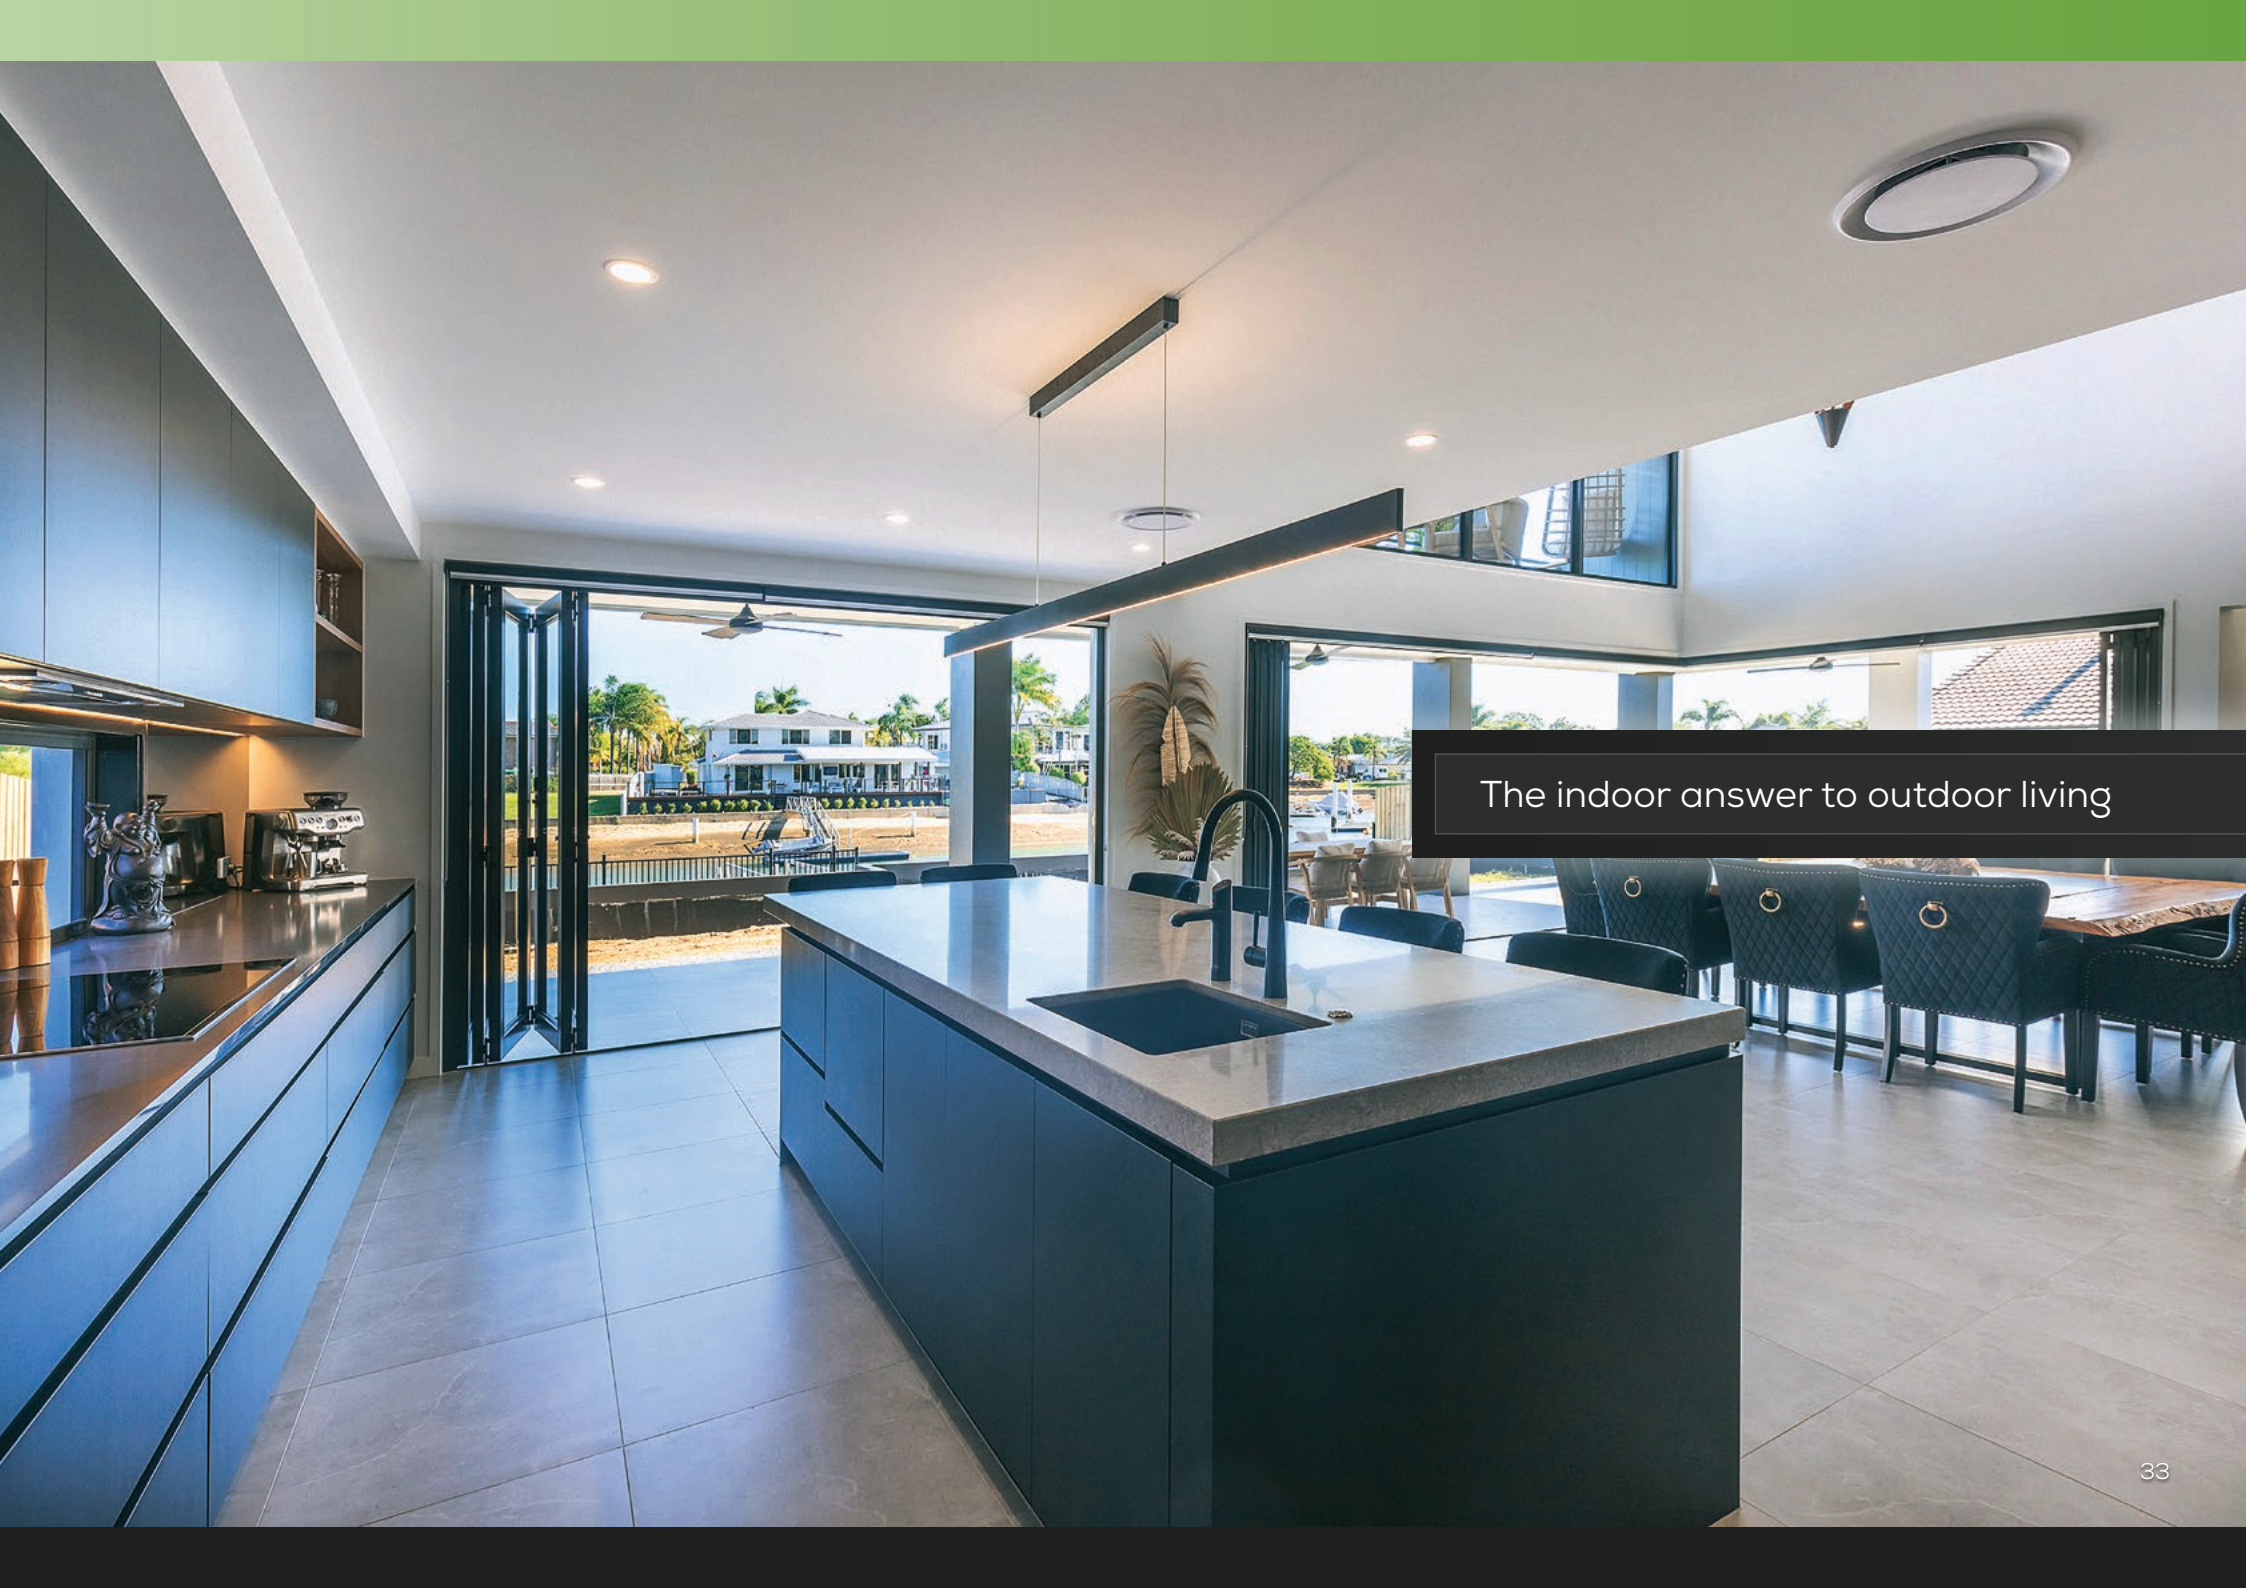

- Ergonomic and easy-to-use lockable handle
- Single access panel provides easy entry while other panels remain secure
- Save on electricity bills with optional double glazing
- Reduce outside noise by incorporating our Sound Smart system

+ Premium Features

Commercial Only

- Doors up to 3.1 metres high and 8 metres wide are available
- Heavy-duty 50mm panels provide superior structural integrity

Signature . Commercial

The indoor answer to outdoor living

WINDOW & DOOR HANDLE

Essential . Signature . Commercial

The importance of **handles** can be overlooked when considering windows and doors. At Capital we understand that handles have a dramatic effect on the overall design and functionality of windows and doors.

As such, our windows and doors are complemented by an extensive range of stylish and innovative handle options. Whether you are a renovator, homeowner, builder or designer, our handle range provides flexibility to help with your design concept.

✓
CAPITAL

SECURITY SCREENS

If security and safety are essential to you, you can't look past our **security screens**. With superior strength mesh and an innovative key way fixing system, they provide powerful protection against would-be intruders – and without impeding your view.

+ Key Features

Ali View . Stainless View

- Powerful deterrent for intruders on your property
- Clean frames without screws and rivets – seamlessly integrate with Capital's windows and doors
- Reduces risk of corrosion or rust due to the innovative key way fixing system

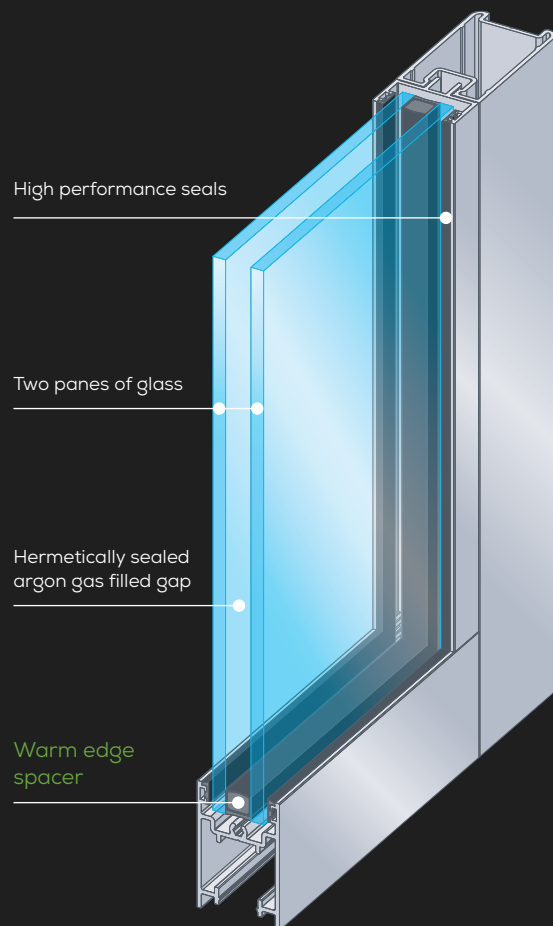

Ali View . Stainless View

CAPITAL

DOUBLE GLAZED

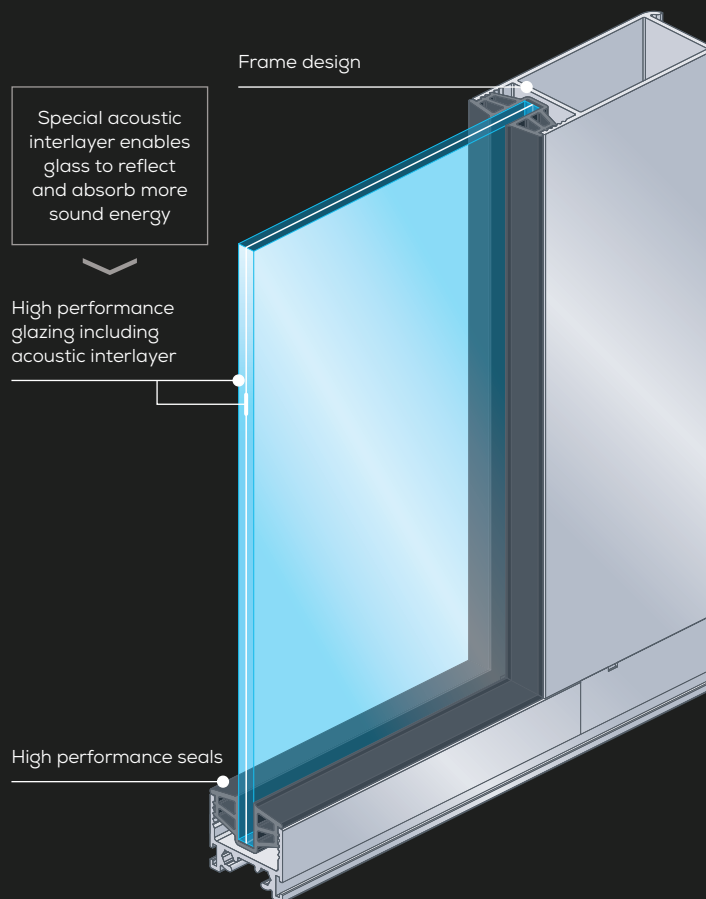

Reduce up to 23%* in energy costs

CAPITAL

SOUND SMART™

Create a quiet haven

* Energy savings are based on simulation of a single storey house in different climates using BERS Pro energy simulation software. The figures are indicative only as climate, house design and occupancy lifestyle will affect the amount of energy savings.
